## TO THE TRADE

---

We specialize in Collected Stock. As we have had several years' experience in the collecting business, we feel able to supply our customers with the best.

### TERMS OF SALE

Cash with order. Where cash comes with order, no charge is made for boxes or packing. We only charge accounts to customers of approved credit, and have supplied us with satisfactory reference. All fall shipments are due December 1. Shipments made in spring are due June 1. We only accept orders for all items mentioned in list as collected stock, subject to us being able to get it up. We do not guarantee, or warranty, expressed or implied, further than when goods are turned over to transportation carriers. We are not responsible for anything beyond our control, such as frost, hail, fire and many other things which could befall it in transit.

---

### SPECIAL NOTICE

As it takes some little time to get up some of the items in our list of Collected Seedlings, we would advise placing orders early to give us a chance to fill them promptly.

We will need some kinds of Hardwood Cuttings and some tree seeds, also a few Evergreens, and would be pleased to get trade list and catalogues.

We also thank all of our customers and friends for the liberal amount of business given us the past season, and assure them it will be a pleasure to serve them in the future.
